It is our goal to provide a safe, secure environment for all volunteers. No unauthorized
people shall be allowed into the site unless they are approved, trained volunteers or the
public using our services. There is always a risk of scratching or biting when handling
animals that are in a somewhat stressful situation. There may be unknown disease or
contagious conditions involving SG4F cats and kittens or from animals brought in for
surgery at Spay Today and there is some risk to the volunteer.

As a volunteer with SG4F and/or Spay Today, I recognize the risks involved and agree to
follow the safety, care and cleaning guidelines as established by SG4F and Spay Today.
